Sunscreen & Water Bottles

Please ensure students have hats so they are able to participate in fitness and outside play. Sunscreen is available to all students at school. Applying sunscreen in the morning before school will ensure students are protected during our morning fitness program. We encourage students to bring a water bottle in during class time. This will mean fewer disruptions during lessons. Please ensure your child’s water bottle is named.

Reading Every Night

Each night your child is asked to read for 10 minutes. Children will receive a reading folder weekly on a Monday containing books for them to read. Students also have a Reading Log book. Parents and Carers are asked to record the books read and to sign each night when your child reads. Reading Log books are to be handed in each week with homework.

Professional Development

On Thursday 19th February I attended the Term 1 Miles Cluster meeting with the other cluster principals.

Qld state schools principal conference will be held on Thursday 26th and Friday 27th of February in Brisbane.

Make every day count in 2015

Make 2015 the year when your child doesn’t miss a day of school. Research shows that students who have good patterns of attendance are more likely to achieve at school. If students aren’t at school or don’t stay the whole day, they are missing valuable lessons. Check out the new Every Day Counts videos live on DETE TV http://www.youtube.com/DETQueensland
